

Dear National Dog Show Campers

Please find attached a camping site map and a yummy menu of dinner offerings available for campers.

The camping areas on the map are weather dependant and subject to change.

On arrival at the venue please wait at the gate until you are directed to your campsite. If there is nobody at the gate, please call Lynley Bray on 0273403764 and I will advise where to go.

Some helpful advice to make your NDS camping enjoyable:

- Please be courteous of other campers. Generator rules apply – nothing between 9pm and 7am please.
- Hot showers and toilets are open 24/7.
- There are rubbish bins in the camping area but please consider taking your rubbish to the skip bin by the ladies' toilets if possible.
- We have a team of Volunteers who will be daily emptying the bins – but please assist where possible.
