

The road on the right hand side of the photo is Coldstream Road.

Large Vehicles and Trailers - For large vehicles and trailers, please access the carpark via the driveway indicated in the red circle.

Longer vehicles and trailers please use the parks across the ***middle*** indicated in blue. These spaces are exceptionally long as they are two carparks with a walkway in between. There are 25 double parks in that space.

Disabled Parking – MUST DISPLAY DISABLED PARKING PERMIT - The area in the green box is for disabled parking.

Stall Holders – You are also in the green area. There are 30 spaces in that area.

Exhibitors in cars/vans (no trailers etc) please park in the parks either side of the blue area and along the roadside adjacent to the disabled parks. There are 23 parks in front of the Hockey Turf, 26 along the roadside and 24 in the bays next to the green area. Single vehicles can also park in the other carpark by turning left from the purple circle.

There is also overflow parking available across the road in the Maria Andrews Park marked in orange.

The yellow oval shows the area where the Gazebos and Grooming Marquee will be located.

There will be parking attendants onsite for the four days to assist.
